

Listen in to one of our calls.

Hello Friends!

We, dogs and cats, really have enjoyed our "Zoom" calls this year. We just had to try this "Zoom struff" that everyone is talking about! A few of our friends kept licking the camera and didn't know how to unmute. Most of us were so excited that even one of our kittens joined the doggie call. Can you find him? There is always one in the bunch. LOL!

During the hot Summer days, most of us cooled off in our pools or just napped. Aaahh, swimming, sleeping and eating. You remember those days! And now, these short Fall days are getting cooler, so at times we cuddle in our blankets or with each other.

Winter will officially be here in a couple of weeks and Christmas just a few days later. So now is a great time to think about welcoming a new four-legged friend into your family. We would love to be inside your cozy home, laying at your feet, going for long walks and sharing the holidays with you. We could make a special appearance at your "Holiday Virtual Parties." Most importantly, we are eager to give you our unconditional love and support because you are worth it. We know this pandemic has been troublesome during these past few months. The

volunteers here at Cinderella Pet Rescue continue to work diligently to feed us, walk us and love us so that we are ready for you.

Due to the Corona Virus, we have had to limit the exposure to keep volunteers, pets and our grounds safe. We are very thankful for the volunteers here at Cinderella, but it is YOU that we want to snuggle with and beg for belly rubs. Without being able to hold public adoption and fundraising events, meeting the financial needs to maintain our program is more challenging than ever. Until things change, we are all (dogs & cats) asking for your assistance to help ensure our programs remain stable and funded throughout this period of economic uncertainty.

All of us here at Cinderella Pet Rescue Thank You for all of your support and we "woof you a pawsitively Happy Howliday Season!" Please continue to donate, consider volunteering or fostering, adopt, and refer us for adoptions! Don't Furget! We have our FUR GET ME NOT Virtual Adoption Program. Wonderful way to help Cinderella Pet Rescue right now during these uncertain times.

FUR GET ME NOT Virtual Adoption Program!

Our Fur Get Me Not Virtual Adoption Program gives our fur babies the second chance they deserve. It is a great way to become part of their all-important journey, even if they can't be part of your loving home. You might really want to give one, or more, of our beloved Cinderella dogs or cats a home but can't right now. However, with a Virtual Adoption, you can be on your way to change a fur baby's life.

Your virtual adoption will be contributing to food, shelter, rehabilitation, medical care, and general supplies our fur babies need. All virtual adoption donations, just as any other donation, go directly to the care of all the fur babies cared for at Cinderella.

Many of our four-legged friend stories are similar, coming to us abused, neglected, or homeless. Some are less likely to be adopted into a forever home due to health issues, age, or lingering emotional trauma. Even some new rescues will take an extended period of time in recovery before they can be considered for adoption. With your help, they can all continue to enjoy living in a warm, safe, loving environment.

If you are interested in our Fur Get Me Not Virtual Adoption Program, please contact us for more information. We will be happy to discuss the program and assist you in choosing your next Virtually Adopted Pet! You can call us at (956)391-4399 or send an email to contact@cinderella-pet-rescue.org
