

Pet Adoption/Foster Application

“Pet ownership is a major responsibility and one that should not be taken lightly. Cinderella Pet Rescue, Inc. (CPR) makes an ongoing effort to find the best possible homes for the animals. We ask that you take the time to fill out this application and be prepared to spend time discussing it with one of our adoption representatives before the adoption is completed.”

*In order to be considered for an adoption, or to foster an animal, you must: Be 18 years of age * Be willing and able to provide loving attention, medical care, and lifetime stability for a pet. * Have the knowledge and consent of all adults living in your household * Have a valid ID with current address * Have landlord’s name and telephone number (or lease) * Understand that Cinderella Pet Rescue, Inc. must approve your application (based on the policies set by the board of directors.) You must also agree to be fully responsible for the pet while in your care and understand that CPR makes no claims nor warrants the health or behavior of any animals made available for foster or adoption. Because the history of most animals offered by rescue organizations is often vague, CPR cannot guarantee the health or behavior of any pet. As such, all persons fostering or adopting a pet must hold harmless CPR, all staff, volunteers, affiliated organizations or companies, from any and all claims now or in the future. By signing this pet adoption/foster application you are agreeing to hold harmless and release from liability CPR, all CPR staff, volunteers, veterinarians, facility landlord and all affiliated organizations and companies from any illness, injury, death or damage that may result from fostering or adopting a pet from CPR.*

Procedure: * Completely fill out & sign application. * If your application is approved, a home visit will be scheduled. * If the adoption is approved, an adoption contract will be completed, donation/adoption fees accepted, and you will be able to take your new pet home.

I give CPR permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a CPR volunteer before an adoption can be further considered for approval.

In addition, I understand the adoption decision is dependent on many factors, including, but not limited to, the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is the prerogative of CPR to decide which home is most appropriate and that their decision is final, and as such I will not argue with the decision. Unless otherwise indicated by CPR, I am free to apply and undergo the application process in the future.
